## Need for More Plumbers Disclosed

Need for plumbers in Coleman was discussed at council meeting July 12th, when it was noted that only 12 hook-ups have been made to the newly-installed sewerage system that was officially opened on July 1st.

Reports indicated that plumbers in the area were as scarce as "hen's teeth" and the town is anticipating a possible 300 hook-ups to the system, which is capable of handling 700 services. Council has signified that qualified tradesmen would be welcomed to the area.

The matter of sewerage rates was discussed and a domestic interim rate of \$3.50 per month will be levied and an interim rate of \$75 per month for hotels will be levied. The rates will be revised at the end of the year and in the meantime Secretary Dick Jensen will send out a questionnaire to various Alberta municipalities that are serviced with sewerage to find out their charges.

Information regarding the annexation of Grafton Town east of Coleman proper into the town limits was received from the Old Man River Regional Planning Commission. Council tabled the matter for further discussion this fall.

Matter of the clarifier pond at the town's pollution control centre creating a hazard for children was brought up and council approved a fence being constructed around the deep pool as a guard against children falling into the pond or throwing rocks and other objects

into the pond. The town foreman, Hector Pivdor, will take charge of having the fence built.

A by-law for the purpose of appointing Richard W. Jensen as secretary-treasurer of the town of Coleman had its final reading. Mr. Jensen will also act as secretary of the Coleman Gas Company.

Joe Cartwright of the Department of Highways, was present at the meeting to discuss with council the icing and water problem that has developed on the Blairmore road district since the installation of the sewerage system.

Following discussion the council agreed to run a six-inch line from the source of the water through property owned by two citizens to a culvert that is to be built by the Department of Highways to carry the water away under the Blairmore road to a drainage area. The culvert across the road is to be 35 feet in length. The town foreman is to obtain an estimate of the cost of the six-inch line.

Council approved the expenditure of \$150 for the purchase of a Centennial Plaque to be installed in the town Memorial Centennial Park.

Secretary Dick Jensen was appointed as town enumerator.

## Wedding Vows Exchanged

Baskets of pink spray 'mums and white carnations graced the altar and white bows of lily of the valley marked the pews of St. Paul's United Church in Coleman recently when Marilyn, daughter of Mr. and Mrs. Mike Korman of Coleman, exchanged vows and matched wedding rings with George, son of Mr. and Mrs. Elias Hurtak of Bellevue.

Rev. Harold Coward of Blairmore performed the afternoon ceremony. Albert Krywolt of Blair played the wedding music. During the signing of the register Allan Rae, brother-in-law of the bride, of Calgary, played a trumpet solo, accompanied by Mr. Krywolt.

The bride, given in marriage by her father, looked radiant in a floor-length Norganza gown with lily-point sleeves and scooped neck line. It featured appliques of lace, jewelled with seed pearls and sequins on the front of the bodice, and also two above each hipline of a softly flowing bouffant skirt draped with Norganza roses to form a sweep train. Her silk illusion veil, which was also appliqued with lace and jewelled with seed pearls and sequins, misted from a crown of iridescent crystals.

A single strand of cultured pearls from Germany, a gift from the groom, completed her ensemble, and she carried a bouquet of red sweetheart roses and white stephanotis, entwined with white satin ribbon and trailing rosebuds attached to green ivy streamer.

The bride's sister, Mrs. Allan Rae of Calgary, was matron of honor. Her floor-length dress was of pale pink peau de soie and featured a pink lace jacket. The bridesmaids were Miss Gail Franz and Miss Gloria Stanfield, cousins of the bride, from Lethbridge.

They wore street-length dresses of darker pink nylon chiffon with bell skirts and small pink chiffon roses around the neckline. They both wore white shoes and elbow-length gloves and matching headpieces of pink nylon tulle embossed with sequins, made by the mother of the bride. Hand bouquets of white spray 'mums tied with pink ribbon completed their outfits.

Melodie Stanfield, cousin of the bride, was flower girl. She wore a dress of pale pink terylene with full skirt and white accessories, and matching head-piece. She carried a white basket of pink spray 'mums fastened with white ribbon. Best man was Lewis Hurtak,

brother of the groom, from Leduc, while attendant and ushers were Allan Rae of Calgary and Joe Drevenak of Trail, B. C.

Following the ceremony a family supper was held at the Elks hall in Coleman. Master of ceremonies Mert Stanfield of Lethbridge, who called for a toast to the bride, to which the groom ably responded. Toast to the bridesmaids was proposed by Allan Rae, after which Leroy Failler called for a toast to the parents.

Centering the bride's table was a three-tiered wedding cake decorated with white and pink roses and lily of the valley.

A reception was held in the evening with a buffet lunch being served. Music for dancing was provided by Harry Setla and sons from Blairmore.

For her daughter's wedding Mrs. Korman wore a pink bonded lace dress with matching jacket and white accessories. Her corsage was pink roses. The groom's mother, Mrs. Hurtak, wore a pink three-piece linen suit with white accessories and her corsage was pink roses.

For travelling to Kalspel, Mont., and Coeur d'Alene, Idaho, the bride donned a pink linen sheath with matching three-quarter length coat. Pink accessories and pink roses with stephanotis corsage completed her ensemble. On their return the happy couple took up residence in Coleman where the groom is employed at Coleman Collieries and the bride is on the teaching staff of the Coleman Elementary School.

Out of town guests were from Lethbridge, Calgary, Nanton, Leduc, Edmonton, St. James, Kimberley and Cranbrook, B. C.

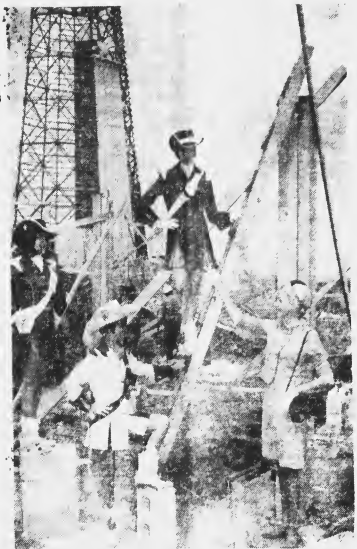

## Vacation Bible School, Elk's Hall

A Vacation Bible School for boys and girls, 6 years of age and up will be held in the Coleman Elk's Hall from Aug. 1st to 12th inclusive, from 9:00 a.m. to 12 noon.

A special teen-age program will be held each evening from Aug. 3rd to 11th. Everybody welcome, come and bring a friend.

Most sleeping pills are followed by a definite hangover period of depressed mental powers.

## Amateur Participation

Three of the majorettes from Sentinelles of Ville Jacques Cartier, Quebec, a marching band that will appear as part of Expo's amateur entertainment program, are shown at the construction site of one of the Expo bandshells with Expo hostess Monica Campbell of Chester, N. S. In background is construction on British Pavilion.

## Loss Heavy In Sunday Fire At Hillcrest

Despite heavy loss in a fire that raged in Hillcrest Sunday afternoon, July 10th, the good training and work of the Hillcrest and Bellevue fire brigades prevented what could have possibly turned into a major disaster.

Fire of unknown origin started in Paul's Trucking maintenance and storage garage in Hillcrest at about 2:30 p.m. Sunday and two five-ton Dodge tandem coal trucks valued at over \$13,000, were lost in the fire. A third truck was driven out of the garage by Ed Linderman of Hillcrest.

Acetylene welding tanks, gas barrels, gas tanks on trucks and other equipment of an explosive nature in the garage, began exploding from the heat and pieces of fire were blown around town, setting fire to 13 homes and buildings in a radius of three blocks around the centre of the fire area.

Another storage garage owned by Guido Petrone of Hillcrest, was also demolished in the fire and an unused school bus was burned. Two other buses that were in the garage were saved.

A small private garage owned by Mrs. Mary Fumfer, a widow, containing a year's supply of firewood, she had prepared herself for winter, was burned to the ground and fire did some damage to her home.

A second garage and storage building owned by Petrone across the street from the main fire was also damaged as well as the Credit Union building.

Largest loss was to Paul's Trucking of Hillcrest, owned by Mrs.

## TV Station At Coleman Wins BBG Approval

A proposal by Lethbridge Television Ltd. to build a re-broadcasting station at Coleman has been recommended for approval by the Board of Broadcast Governors.

The recommendation, along with several others announced Monday by the BBG, must now go to the cabinet for approval. However, this is usually just a formality.

Norm Botterill, manager of the local company, which operated CJLH television, said "we are pretty well poised. As soon as we get the official word we are ready to start."

Mr. Botterill said the re-broadcasting station will probably be ready for operation this fall.

The main purpose of the re-broadcasting station is to improve reception in the Coleman area. Good reception is a problem because the area is mountainous. Mr. Botterill said.

"With color coming, a strong signal is more necessary," he said. Color television broadcasting is scheduled to start in the CBC in the fall.

Alice Linderman, who, besides losing the two large trucks and the building, also lost several thousand dollars of tools and equipment, including a lathe, compressor unit, electric and acetylene welding units, 40 to 50 truck tires and many hand tools. Insurance was carried.

The Blairmore and Frank fire brigades attended the fire and were kept on alert.

## Successful Gymkhana Held on July 17th

On July 17th the Crows Nest Pass Riding Club held their open gymkhana. This turned out very successful with 96 riders participating. The riders came from Coleman, Cowley, Lundbreck, Beaver Mines, Hillcrest, Bellevue, Fort Macleod, Pincher Creek and Lethbridge.

The day was nice and the concession did a booming business.

On the agenda were barrel racing, pole bending, stake racing, keyhole race, flag picking, balloon relay race, wild cow milking, ladies goat tying, calf roping, chariot racing and the rescue race. All were very exciting.

Winners of these events were as follows:

**Barrel Racing—**

Senior — 1st, Molly Schuffe; 2nd, Laura Trotz; 3rd, Donna Trotz; 4th, Betty Atkins.

Juniors — 1st, Dana Cox; 2nd, Greta Robinson; 3rd, Linda Noble; 4th, Butch Hill.

**Little Britches —** 1st, Davey Dinger-ville; 2nd, Jacqueline Noble; 3rd, Lee Van Loon; 4th, Malcolm Noble.

**Pre-Schoolers Barrel Racing—**

1st, Kelly Tourand; 2nd, Keith Lang; 3rd, Corry Tourand; 4th, Janet Hewitt.

**Pole Bending—**

Seniors — 1st, George Dinger-ville; 2nd, Jack Noble; 3rd, Molly Schuffe; 4th, Jenette Baher.

Juniors — 1st, Greta Robinson; 2nd, Bill Robinson; 3rd, Corrine Noble; 4th, Bill Kakin.

**Little Britches —** 1st, Davey Dinger-ville; 2nd, Lee Van Loon; 3rd, Malcolm Noble; 4th, Douglas Shatz.

**Stake Race—**

Seniors — 1st, George Dinger-ville; 2nd, Linda Zur; 3rd, Norman Lee; 4th, Molly Schuffe.

Juniors — 1st, Greta Robinson; 2nd, Joe Trotz, jr.; 3rd, Dana Cox; 4th, Bill Robinson.

**Little Britches —** 1st, Davey Dinger-ville; 2nd, Lee Van Loon; 3rd, Malcolm Noble; 4th, Douglas Shatz.

**Keyhole Race—**

Seniors — 1st, Barry Fraser; 2nd, Bill Trotz, sr.; 3rd, Joe Trotz, jr.; 4th, Jack Noble.

**Rescue Race—**

1st, Mike Linderman - Linda Zur; 2nd, Wayne Atkins - Corrine Noble; 3rd, Wally Fauville - Jenette Baher; 4th, Norman Lee and partner.

**Ladies' Goat Tying—**

1st, Betty Atkins; 2nd, Linda Zur; 3rd, Noeren Cox; 4th, Molly Schuffe.

**Balloon Relay Race—**

1st, Bill Trotz, sr. - Norman Lee and Greta Robinson; 2nd, Marguerite Fraser - Wally Fauville - Bill Trotz, jr.; 3rd, Joe Lorenz - Joe Trotz, jr.; 4th, Merle Van Loon; 4th, Jenette Baher - Joe Trotz, sr. - Laura Trotz.

**Spud and Spear Race—**

1st, Billy Trotz, jr.; 2nd, Laura Trotz; 3rd, Joe Trotz; 4th, George Dinger-ville.

The Crows Nest Pass Riding Club is going to have a three-day trail ride on July 29, 30 and 31. Any party interested in participating contact Mrs. Jenette Baher, secretary, Crows Nest Pass Riding Club, Bellevue, Alberta.

lyn, New York and branch offices in various lands.

The Vancouver convention is expected to have a peak attendance of 30,000 for the final day, to hear the main discourse "What Has God's Kingdom Been Doing Since 1914?" to be delivered by the President of the Watch Tower Society, Mr. N. H. Knorr.

**Peter Bahrychuk Passes In Idaho**

Mr. and Mrs. A. Holyk received word that Mr. Peter Bahrychuk passed away in Nampa, Idaho, U.S.A., at the age of 68 years.

Mr. Bahrychuk was a former resident here and worked for the International Coal & Coke Co. Ltd. prior to leaving Coleman in 1930.

He married the former Rose Blecha in Coleman in November, 1920.

Survivors include his wife and two daughters, all residing in the U. S. A.

### Report From Parliament Hill

(Lawrence E. Kindt, M.P.)

June 21, 1966.

Canada's support of General De Gaulle at the recent NATO meeting, in direct opposition to the position taken by the United States and Great Britain, has caused much comment on Parliament Hill.

History may show that General de Gaulle's view of the future of Europe is a correct one, but this is a matter of opinion that only future events will be able to prove one way or another.

Many people around Ottawa think that it was not at all in Canada's best interest to publicly rebuke the U.S.A. under these circumstances, as an unfriendly U.S. Government has numerous ways of making its displeasure felt in Canada; one has only to look back to 1962 to realize this.

This is not to say that Canada should always agree with the U.S. but when we do decide to pull some feathers out of the Eagle's tail it should be with respect to matters of perhaps greater importance to Canada's national interest.

The other countries in NATO did not decide to pick up the cudgels on behalf of General de Gaulle, and the other NATO members are European countries which are directly affected by General de Gaulle's position.

What is more, for the second time the Prime Minister has appeared to exercise astonishingly bad taste in his method of chastising the U.S.A., viz., in a public speech in the U.S.A. itself. Such behavior cannot help but antagonize the U.S. Government, and a great many Americans as well.

How would we like it if President Johnson made a speech at Toronto University and publicly attacked Canada's failure to support the U.S. in Viet Nam? As already mentioned, General de Gaulle may prove to be right, but if Canada wished to support him the Government should have let its views be known by other means.

### What Forest Fires Can Do

The first thing that every Canadian should know about forest fires is that they do absolutely no good. They bring no benefits to mankind, for loss, damage and frequently death for man and animal are the results of their work. It would require many pages to discuss fully the loss caused by forest fires. Some of the more destructive effects of forest fires are outlined below:

- 1 Forest fires destroy the beauty as well as the economic values

## Canada's Hopes Lie in Four Pincher Creek District Riders

Canada's best hopes in five events of the August 11th International All Girl Rodeo — scheduled for Calgary's Stampede Corral, lie with four top Pincher Creek District riders

Julie McLaughlin and her horse, It's-the-Law, are currently leading the High Point Barrel Racing Circuit, the winner of which will be the Canadian Barrel Racing Champion for 1966, while her sister, Geraldine, riding Blob, is leading the Canadian Intermediate Barrel Racing Circuit.

In the Canadian Girls Calf Rop-

ing and Steer Undecorating circuit. Betty Akins of Maycroft is presently in second place with Mary Ann Akins standing third in the Undecorating.

At a recent All Girl Rodeo held at Didsbury, Betty Akins won the Steer Undecorating, was 2nd in the Calf Roping and 5th in the goat tying resulting in her winning the

All Around Cowgirl award of the show

Seven events open to world competition at the August 11th International All Girl Rodeo are charr- of racing, calf roping, steer undecorating, cutting, goat tying, cow riding and barrel racing. It is because of top competition such as provided by the four riders from the Pincher Creek district that it is expected Canada will have the strongest representation ever in an International All Girl Rodeo.

Tickets to the August 11th Rodeo may now be obtained from any one of these four riders or from Calgary's Hudson's Bay or Chinook Shopping Centre ticket wickets.

A compliment is the pause that refreshes.

## Vehicle Testing Units Now Opened

Two vehicle testing units were opened July 12 on the Bonnie Doon Shopping Centre parking lot, Edmonton, by the Hon. Gordon E. Taylor, Alberta Minister of Highways. The testing units make available to private motorists free of charge, manned equipment that tests headlights, brake and wheel alignment efficiency. In the event of a wheel alignment fault, a servicing lift will raise the vehicle for the cause of the defect to be located.

Motorists volunteering their vehicles for inspection will be provided with a report on the testing results for their information and a circular window sticker inspection certificate where the results are satisfactory. Police officers are at liberty to ask any vehicle to report.

After a period of familiarization, the second of the two units will move to Calgary to open at the North Hill Shopping Centre.

Commencing August 1st, both units will be available to move to other areas where local service clubs have undertaken to provide facilities.

The complete unit, plus five staff directed by a safety officer, is easily transportable in a one-ton truck and trailer and the area required for operation is any flat surface of 75 to 100 feet long of approximately two car widths. It is anticipated that each unit will handle 150 cars per day.

## Life Saver

A good life jacket, correctly used and properly cared for will help save the life of a potential drowning victim.

To be a good life jacket it must meet the specifications set by the Department of Transport, Ottawa. So any life jacket you buy should bear the 'D.O.T. Approved' stamp. But that's only the beginning.

When buying a life jacket, it should be tried on. It should fit right and be reasonably comfort-

able. At the first opportunity, it should be tested by wading out to chest-deep water and raising the knees. The life jacket should float you in a face-up position.

Life jackets should not be used as boat bumpers, cushions or pillows. During the periods when they are not needed, they should be stored in a cool, well ventilated place or they will deteriorate more rapidly than normal.

With good care a life jacket should last from six to 10 years, perhaps longer. In any case, it should be tested periodically to see that it still has its buoyancy properties.

The most important point about a life jacket is that it can't help save a life if it's stuffed out of the way under the hull of a boat or if it's been left on shore.

You have to wear it.

The man who discovered the telegraph in 1847, Samuel Finley Breese Morse, was a world famous painter.

## Card of Thanks

I wish to thank Drs. Aiello and Martinez and the Nurses and Staff of the Crows Nest Pass Municipal Hospital for their kindness and care while a patient, also those who brought flowers and gifts. To one and all "Thank You".

Mrs. Agnes Derbyshire.

## In Memoriam

In Loving Memory of Our Dear Father, John Stevelak, who Passed Away June 19, 1955: Calm and peaceful he is sleeping. Sweetest rest that follows pain. We who loved him sadly miss him. But trust in God to meet again. Ever Remembered by Daughter Anne and Son-in-law Murdoch.

### St. Paul's United Gets Face Lifting

Headed by Minister Peter Walker, a group of men of the congregation of St. Paul's United Church are giving the church and manse a face lifting by applying a coat of paint to the woodwork and trim on the exterior of the buildings.

The kitchen, club rooms and other parts of the church building have undergone a number of improvements and renovations during the past few months.

The ancient philosophers knew that the body cannot be separated from the mind — that sickness of the mind can produce sickness of the body, and vice versa. YOU may learn how your emotions influence your health. Write for the free pamphlet "Emotions and Physical Health" to the Canadian Mental Health Association, 619 Revillon Building, Edmonton.
